# Why should you improve representation?

### Making progress

What do we look like today?

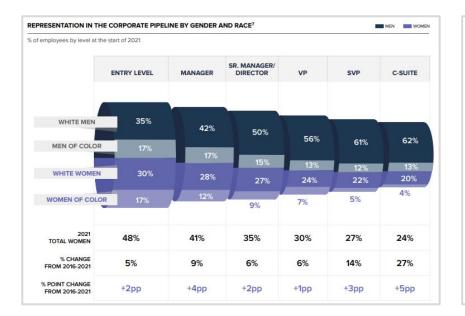

What should we look like?

What can we do to improve?

How do we talk about it?

#### How are we doing? Certain communities are underrepresented in management & leadership

How to improve representation with data and analytics

### A typical picture: The lack of representation in leadership

We observe a similar phenomenon for job functions/job families.

### Making progress

### What do we look like today?

- Gender, race, etc.
- Job level
- Org structure
- Location

### What should we look like?

- Internal availability
- Labor pool talent
- Community
   demographics

### What can we do to improve?

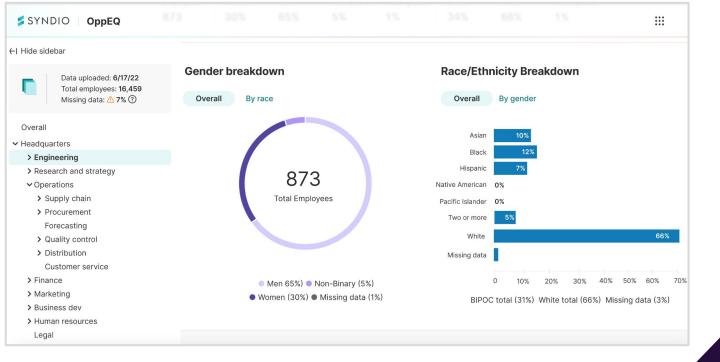

- Identify root drivers
- Company-wide vs. targeted
- Prioritize

### How do we talk about it?

- Level of detail
- Audience
- Voluntary vs. involuntary
